Note: This Test report shall be invalid if it is not stamped with the special seal for testing. Only responsible for the tested samples, invalid if rewritten, added and deleted. This test report cannot be reproduced, except in full, without prior written permission of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this report is unlawful and offenders may be prosecuted to the fullest extent of the law. Any demurral to the content of test report, please propose in 15 days after the report's sending out, it will not be accepted after this date.

Material Safety Data Sheet

Section 1 - Chemical Product and Company Identification

Product Name: Fire Blanket

Client Name: TAIZHOU ZHONGSHENG FIBERGLASS PRODUCTS CO., LTD.

Client Address: INDUSTRIAL CONCENTRATION ZONE, DALUN TOWN, JIANGYAN DISTRICT, TAIZHOU CITY, JIANGSU PROVINCE

Manufactured: TAIZHOU ZHONGSHENG FIBERGLASS PRODUCTS CO., LTD.

Manufactured Address: INDUSTRIAL CONCENTRATION ZONE, DALUN TOWN, JIANGYAN DISTRICT, TAIZHOU CITY, JIANGSU PROVINCE

Section 2 - Hazards Identification

Fatalness grade: In accordance with Regulation (EC) No. 1272/2008, the sample is not divided into dangerous article.

Invasion route:

Skin contact: Harmless in normal use.

Eyes contact: Harmless in normal use.

Inhalation: Inhalation of glass fiber stive and particulates can cause nose, throat and respiratory allergies.

Ingestion: Usually, the possibility of eating into the glass fiber is not large,but the food into the glass fiber may cause gastrointestinal discomfort.

Health hazards: Inhalation of glass fiber stive and particulates can cause nose,throat and respiratory allergies.The food into the glass fiber may cause gastrointestinal discomfort.

Environmental impact: long-term exposure to the glass fiber environment may cause temporary effects.

Burn & burst danger: The product itself does not flame, but the impregnating compound and packing material on the glass fiber can be flamed.

Section 3 –Composition/Information on Ingredient

Pure☑ Admixture☐

Composition:

Chemical Name	CAS No.	In % By Weight
Fiberglass cloth	65997-17-3	100%

Note: This Test report shall be invalid if it is not stamped with the special seal for testing. Only responsible for the tested samples, invalid if rewritten, added and deleted. This test report cannot be reproduced, except in full, without prior written permission of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this report is unlawful and offenders may be prosecuted to the fullest extent of the law. Any demurral to the content of test report, please propose in 15 days after the report's sending out, it will not be accepted after this date.

Section 4 - First Aid Measures

Skin contact: Wash with plenty of soap and water. If the skin is irritable, get medical aid.

Eyes touch: Lifting the upper and lower eyelids, flush the eyes with plenty of water or saline water.

Get medical aid.

Inhalation: If exposure to fumes from overheating, move to fresh air immediately. Keep the respiratory tract smooth. Use oxygen if available. Get medical aid.

Ingestion: Usually, the possibility of eating into this material is not large, but if there is such a situation, it should be observed for a few days, convinced that the stomach is not comfortable, do not vomit, unless the medical staff to do so, if it is not comfortable to go to the hospital for treatment.

Section 5 - Fire Fighting Measures

Danger characteristic: The product itself does not flame, but the impregnating compound and packing material on the glass fiber can be flamed.

Hazardous combustion products: CO2, CO smoke.

Fire-Fighting method & media: The staff must equip with filtermask (full mask) or isolated breathing apparatus. The staff must wear the clothes which can defense the fire and the toxic gas. Put out the fire in the upwind direction. Remove the container to the open space as soon as possible. Spray water on the containers in the fireplace to keep them cool until finish extinguishment. Media: hazy water, foam, powder, CO2, sandy clay.Direct water may cause the splash of flammable liquid and spread the fire.

Section 6 –Accidental Release Measures

Emergency treatment: Evacuate the personnel to a safe place as soon as possible, restrict on access. It is advised that the staff wear dust respirator, working clothes. Small amount of divulgence: Clean up with a cleaning instrument such as broom. Massive divulgence: Recycle or transport to waste treatment place for handling.

Section 7 - Handling and Storage

Handling: Keep away from fire and heating sources. No smoking in the workplace. Avoid producing dust. Prevent contacting with oxidizer. Equip with relevant types and quantities of the extinguishment instruments.

Storage: Avoid direct sunlight or close to flammable source. Store in a clean, dry area. Avoid stacking it high to prevent from falling.

Note: This Test report shall be invalid if it is not stamped with the special seal for testing. Only responsible for the tested samples, invalid if rewritten, added and deleted. This test report cannot be reproduced, except in full, without prior written permission of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this report is unlawful and offenders may be prosecuted to the fullest extent of the law. Any demurral to the content of test report, please propose in 15 days after the report's sending out, it will not be accepted after this date.

Section 8 - Exposure Controls, Personal Protection

Maximum admissible concentration: No standard yet

Monitoring Method: None.

Engineering Control: To supply with sufficient air exhaust.

Respiratory Protection: None.

Eyes Protection: There is no special requirement for general use.

Body Protection: There is no special requirement for general use.

Hands Protection: There is no special requirement for general use.

Other Protections: No smoking in the workplace. Keep good habit of hygiene.

Section 9 - Physical and Chemical Properties

Appearance: Fabric

Color: White.

Odour: Odorless.

Flashpoint: N/A

Ignition temperature: N/A

Section 10 - Stability and Reactivity

Stability: Stable under normal temperature and pressure.

Distribution of Ban: Strong oxidizer, strong acid.

Conditions to Avoid: Fire, high temperature.

Hazardous Polymerization: None.

Hazardous Decomposition Products: Under normal conditions of storage and use, hazardous decomposition products should not be produced.

Section 11 - Toxicological Information

Acute Toxicity: No known significant effects or critical hazards.

Sub-acute and Chronic Toxicity: No known significant effects or critical hazards.

Irritation: No known significant effects or critical hazards.

Sensitization: No known significant effects or critical hazards.

Mutagenicity: No known significant effects or critical hazards.

Carcinogenicity: No known significant effects or critical hazards.

Others: Not available.

Note: This Test report shall be invalid if it is not stamped with the special seal for testing. Only responsible for the tested samples, invalid if rewritten, added and deleted. This test report cannot be reproduced, except in full, without prior written permission of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this report is unlawful and offenders may be prosecuted to the fullest extent of the law. Any demurral to the content of test report, please propose in 15 days after the report's sending out, it will not be accepted after this date.

Section 12 - Ecological Information

Eco-toxicity: No known significant effects or critical hazards.

Biodegradable: No known significant effects or critical hazards.

Non-biodegradable: No known significant effects or critical hazards.

Bioconcentration or biological accumulation: No known significant effects or critical hazards.

Other harmful effects: No known significant effects or critical hazards.

Section 13 - Disposal Considerations

Nature of waste: This product is not regarded as hazardous waste, as defined by Regulation (EC) No. 1272/2008.

Waste disposal methods: Refer to National or Local regulations before handling.

Attention abandoned: No applicable.

Section 14 - Transport Information

Number of dangerous goods: No applicable.

UN Number: No applicable.

Packaging Mark: No applicable.

Packaging Method: No specific data.

Transport Fashion: Sea, Rail, Highway.

Transport Attentions: Examine whether the package of the containers are integrate or not before transport. No divulgence, no collapse, no precipitation or no damage during the course of transportation. Don’t put the goods together with oxidizer and strong acid. The transport vehicle and ship must be cleaned and sterilized otherwise it is not allowed to assemble articles. During transport, the vehicle should prevent exposure, rain and high temperature. For stopovers, the vehicle should be away from fire and heat sources. When transported by sea, the assemble place should keep away from bedroom and kitchen, and isolated from the engine room, power and fire source.

Section 15 - Regulatory Information

Regulatory Information: ISO 11014-2009 Safety data sheet for chemical products - Content and order of sections.

Regulation (EC) No. 1272/2008 Classification, Labelling and Packaging of Substances and Mixtures.

Note: This Test report shall be invalid if it is not stamped with the special seal for testing. Only responsible for the tested samples, invalid if rewritten, added and deleted. This test report cannot be reproduced, except in full, without prior written permission of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this report is unlawful and offenders may be prosecuted to the fullest extent of the law. Any demurral to the content of test report, please propose in 15 days after the report’s sending out, it will not be accepted after this date.

Section 16 - Additional Information

To the best of our knowledge, the information contained herein is accurate. However, neither the above named supplier, nor any its subsidiaries, assumes any liability whatsoever for the accuracy or completeness of the information contained herein.

Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist.

Note: This Test report shall be invalid if it is not stamped with the special seal for testing. Only responsible for the tested samples, invalid if rewritten, added and deleted. This test report cannot be reproduced, except in full, without prior written permission of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this report is unlawful and offenders may be prosecuted to the fullest extent of the law. Any demurral to the content of test report, please propose in 15 days after the report's sending out, it will not be accepted after this date.
